

# CHRISTIAN SMITH

## ABOUT ME

I am an intelligent, stable, motivated, and goal-driven individual with a natural ability to work very hard. My experience in retail has honed my excellent listening and communication skills, allowing me to effectively engage with customers and colleagues. Given the opportunity, I will apply my three most important qualities: discipline, dedication, and determination. I am committed to ensuring that only the highest standards are met and that all my duties are performed to the best of my ability.
